WE ARE
SHOWROOM
EXPERTS.

WE **DESIGN** SPACES
THAT CREATE LASTING
CONNECTIONS.

REMARKABLE SHOWROOM

A showroom isn't just a place to display products, it's where your brand comes to life.

From layout to lighting, materials to messaging, every detail influences how your products are perceived and how your clients connect with them.

We design and build remarkable showroom environments that elevate your brand, support your sales goals, and deliver a lasting impression.

MANUFACTURER DISPLAY

Your exclusive source for showroom-ready displays designed and built according to exacting brand specifications.

From prototyping to installation, SH Showroom Design-Build has supported manufacturers with complex display program projects across North America.

Our expertise comes from working with the owners and spaces that will ultimately host your displays, making us a partner with a 360-degree view of the decorative plumbing industry.

EXPERTISE YOU CAN TRUST.

PROJECT MANAGEMENT.

We offer A-Z project management and a full line of services to deliver award-winning showrooms.

From design to production, we manage every aspect of the process from start to finish.

Delivery and installation services guarantee fast-turnaround and little-to-no company downtime.

STRATEGIC PLANNING.

No matter what the square footage, we use every inch of your retail space to the best possible advantage.

Custom floor plans and 3D renders illustrate the transformation from simple showroom to enhanced selling space.

Displays arranged along an optimized sales path encourage flow and inspire purchases.

Moveable displays give you the freedom to adapt to seasons,

BRAND EXPERIENCE.

Modern, trendy or classic, showroom design is about more than color and style - it's about creating a brand experience your clients will remember.

From logos to lifestyle graphics, we unite brand personality and showroom design for an engaging retail experience.

Most of all, we make sure your brand stands out from the crowd.

MERCHANDISE PLANNING.

Engineered displays with perfectly fitted products mean your clients see possibility, not clutter.

We customize each module to support the size and weight of any product.

Interchangeable tops and panels are flexible enough to adapt to product changes.

We maintain a close relationship with major suppliers so we can manage display demands and build to exacting specifications.

FROM OUR CLIENTS, WITH GENUINE GRATITUDE.

"It's open, organized and clean, ... I feel like **I have twice as many products** on display but I feel like I have more space... I know what [SH] is good at doing and now I know how to take advantage of that, ...[SH] is definitely good with the layout [and] the building of the pieces is excellent."

John Vitale
VP of showrooms
Grove Supply Inc

"As I sit back and look at the design I am thrilled. It is amazing and definitely **captures what my dream and vision for the space was**. Great job! You all are true professionals."

Mike Cottrell
Director of Showrooms,
Facets of Austin.

"We went down as a team to receive and unpack the walls. We were very pleased with the product. **The packaging was extremely well done**. Each piece was perfectly labeled. We were able to stage the items in each section with ease by following the instructions included."
