Guide for Clients

START

NUMBERED FLOORPLAN

Review of all details on the final floorplan.

PRODUCT LIST

Fill in Excel file with details about the products you would like incorporated into your displays. We use this as a guideline to make sure all the displays are exactly what you need.

What you'll get from us:
Updated Floorplan + Product list form (Excel file). Timeline: 1 week

PRE-PRODUCTION

The team meets to discuss the details for your displays and products to prepare a shop drawings package.

SHOP DRAWINGS

We send the drawings and other details such as graphics, materials and specific product information. You will review all the drawings, approve, sign and send it back to us. We move forward once every drawing is approved by you (sizes, colors, configuration).

PRODUCT COORDINATION

Some products will need to be shipped to our workshop for proper display installation. We will guide you through the process.

What you'll get from us:
Detailed shop drawings package for approval
Timeline: 2-3 weeks

SET UP DATES

During display production, we will decide on a target date for delivery and install.

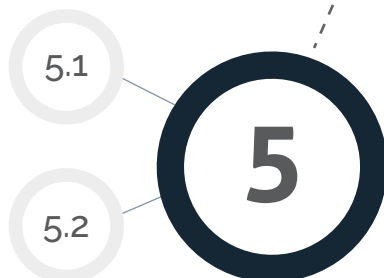

PRODUCTION

Sit back. Everything is in our hands.

Q&A

Please feel free to communicate with us during this period but rest assured that everything is being taken care of.

Timeline:
8-12 weeks (once all drawings are approved.)

DELIVERY

We ship the displays to your location.

INSTALL

Professional installers set everything up.

Timeline:
4-10 days. (Please be aware that construction delays can affect delivery and installation timelines).

What you'll get from us:
A beautiful showroom with the SH stamp of quality. As usual, we are available at all times to respond to any comments or questions.
