EXCLUSIVE SHOWROOM
PROGRAM.

WE **DESIGN** SPACES
THAT CREATE LASTING
CONNECTIONS.

REMARKABLE SHOWROOM.

A showroom isn't just a place to display products, it's where your brand comes to life. From layout to lighting, materials to messaging, every detail influences how your products are perceived and how your clients connect with them.

We design and build remarkable showroom environments that elevate your brand, support your sales goals, and deliver a lasting impression.

The WINSUPPLY EXCLUSIVE SHOWROOM PROGRAM will create an improved shopping experience for clients and employees alike, while allowing members to display their professionalism and expertise.

This comprehensive program will help increase your sales by drawing customers towards all your products and services, as well as attracting new customers to your business.

NOLAND FREDERICK SHOWROOM CASE STUDY.

Moving to a new building, Noland Frederick decided to create a brand new showroom for their clients.

WINSUPPLY EXCLUSIVE SHOWROOM PROGRAM.

1. REFRESH WITHOUT RENOVATING

Are you looking to refresh your showroom, but don't want to go through a full renovation? Frustrated with tired displays that make products look cheap and outdated? Take control of your showroom with contemporary display fixtures engineered for decorative plumbing products.

With ready-to-install displays shipped directly to you, you save time, money and energy. This is the showroom solution that allows you to select a full suite of display fixtures and transform your space in a flash.

2. CUSTOM SHOWROOM DESIGN

Your showroom has seen better days and you are ready for a big change? You are expanding and moving to a new location? We can support you through the whole process of creating this new showroom of your dreams.

Our streamlined process will ensure you get the support you need throughout the project and our expertise in designing K&B showrooms. Our many projects speak volume.
