“

“As I sit back and look at the design I am thrilled. **It is amazing** and definitely captures what **my dream and vision** for the space was. Great job! **You all are true professionals.**”

-Mike Cottrell, Director of Showrooms

A CUSTOM SHOWROOM IN 4 STEAMLINED STEPS

1. IN-DEPTH CUSTOM DESIGN PLAN

Style and function merge seamlessly in a custom design that suits your merchandising, branding and sales needs.

2. FLOOR PLAN & 3D RENDERS

Strategically-planned layouts by experts maximize space, encourage flow and inspire purchases.

3. FABRICATION

Custom display modules are built in-house, precut and even preinstalled for faster turnaround.

4. DELIVERY & INSTALLATION

Hassle-free logistics and professional installation mean little-to-no company downtime.

MORE THAN JUST A LOCAL CONTRACTOR

PROJECT MANAGEMENT

We offer A-Z project management and a full line of customizable products and services.

STRATEGIC PLANNING

No matter what the square footage, we use every inch of your retail space to the best possible advantage.

BRANDING

From logos to lifestyle graphics, we unite brand and showroom design for an immersive retail experience.

MERCHANDISE PLANNING

Engineered displays with perfectly fitted products for better organization.

MANUFACTURER DISPLAY SOLUTIONS

Your exclusive source for showroom-ready displays designed and built according to exacting brand specifications. From prototyping to installation, SH has supported manufacturers with complex display program projects in showrooms across North America.

Our expertise comes from working with the owners and spaces that will ultimately host your displays, making us a partner with a 360-degree view of the decorative plumbing industry.

ONE-STOP WORKSHOP

Everything you need **under one roof**, from design and prototyping to fabrication and installation.

47 YEARS OF EXPERIENCE

One of the **most experienced and trusted** display manufacturers in the decorative plumbing industry.

LOGISTICS SPECIALIST

Full warehousing capabilities, packaging and shipping experts on staff you can trust.

SH ADVANTAGES

MODULAR FLEXIBILITY

GRAPHICS INTEGRATION

MATERIALS & FINISHES

RETAIL & COMMERCIAL ENVIRONMENTS

SH's expertise goes beyond decorative plumbing showrooms. We create spaces with modular systems engineered to showcase products from lighting, tiles and hardware to windows, doors, and kitchen cabinets. As design and millwork specialists, our displays are build to solve today's merchandising challenges.

ACRYLIC PODS & BASES

No showroom is complete without the industry's clearest, most durable acrylic pods. These acrylic bases are engineered specifically to support decorative plumbing elements like faucets, accessories and hardware, produced in a crystal-clear acrylic that creates a feeling of luxury.

**FAST
TURNAROUND**

Get pods in as little as one week with the fastest turnaround in the industry.

**HIGH-QUALITY
ACRYLIC**

Diamond-polished cast acrylic pods to elevate your products.

**COMPETITIVE
PRICES**

Top-of-the-line accessory pods at a price that can't be beat.

ULTRA Design Center, Denver, CO

"I think overall we worked **very well together** in the design phase. We had certain preconceived notions, but this was really the first time we had done a showroom from scratch, so we really were looking to learn from **your experience.**"

- Kevin Castello
Showroom Manager
